スプリングプランジャ
- スチールタイプ -

Table with columns: Type, 本体 (Material, Hardness, Surface Treatment), ピン (Material, Hardness, Surface Treatment), スプリング (Material), 使用可能温度. Lists types like PJL, PJH, PJX, NPJL, NPJH, NPJX.

Main specification table for spring plungers with columns for dimensions (d, l, L, B), load capacity (min/max), and part numbers (Type, M, S). Includes sub-tables for PJJ, PJH, NPJL, NPJH, NPJX.

φ寸( )は極重荷重用に適用。(kgf)=N×0.101972

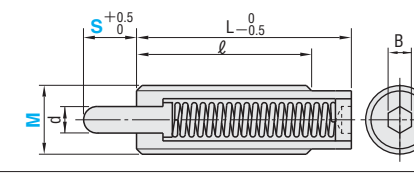

Order and Price information for PJL12-5 and NPJH3-1.5, including delivery and inventory status.

Spring plunger wrenches section, including PJG types, wrench diagrams, and pricing.

スプリングプランジャ
- ステンレスタイプ -

Table with columns: Type, 本体 (Material, Hardness), ノーズ (Material, Hardness), スプリング (Material), 使用可能温度. Lists types like PJLW, PJHW, PJXW, PJLJ, PJJK, PJXK.

Main specification table for stainless steel spring plungers with columns for dimensions, load capacity, and part numbers (Type, M, S).

緩み防止の処理はしていません。(kgf)=N×0.101972

Order and Price information for PJLW 12-5 and PJHW 5-3, including delivery and inventory status.

斜面用スプリングプランジャ

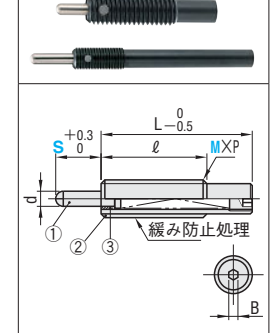

Table for bevel spring plungers (PJHZ) with columns for dimensions, load capacity, and part numbers (Type, M-S).

PJHZの特長 (Features) and test conditions, including a diagram showing the 30-degree angle and test parameters.

Order and Price information for PJHZ 12-15, including delivery and inventory status.
