

テーパコーナーアンゲル形状の先端径指定タイプ

SOLID CARBIDE STRAIGHT FLUTE TAPER CORNER ANGLE END MILLS

超硬直刃テーパコーナーアンゲルエンドミル

2枚刃・先端径指定タイプ -2 FLUTES・TIP DIAMETER-

Product details for BSTCADC and STCADEM mills, including diagrams of the tip geometry and material specifications.

Table listing specifications for BSTCADC mills, including flute diameter, corner angle, tip diameter, and length options.

Table listing specifications for STCADEM mills, including flute diameter, corner angle, tip diameter, and length options.

Notes regarding selection criteria and corner angle specifications for the mills.

Ordering information for BSTCADC and STCADEM mills, including cutting conditions and part numbers.

Ordering codes for BSTCADC and STCADEM mills, showing the format for specifying various parameters.

Delivery and pricing information, including shipping options and a quantity price table.

Information regarding additional processing (coatings) and ordering methods.

Delivery and pricing information for coated mills, including shipping options and a quantity price table.

Information regarding additional processing (flute length) and a table for MAX length specifications.

工程短縮用の2段テーパ加工を施したテーパコーナーアンゲルタイプ

SOLID CARBIDE STRAIGHT FLUTE TAPER CORNER ANGLE END MILLS

超硬直刃テーパコーナーアンゲルエンドミル

2枚刃・インナーR付タイプ -2 FLUTES・INNER R-

Product details for STCACREM mills, including diagrams of the tip geometry with inner radius and material specifications.

Table listing specifications for STCACREM mills, including flute diameter, corner angle, tip diameter, and length options.

Notes regarding size-dependent flute diameter and cutting conditions for STCACREM mills.

2枚刃・面取り刃付タイプ -2 FLUTES・CHAMFERING-

Product details for STCACMEM mills, including diagrams of the tip geometry with chamfering and material specifications.

Table listing specifications for STCACMEM mills, including flute diameter, corner angle, tip diameter, and length options.

Notes regarding chamfering width and maximum chamfering width for STCACMEM mills.

Ordering codes for STCACREM and STCACMEM mills, showing the format for specifying various parameters.

Delivery and pricing information for coated mills, including shipping options and a quantity price table.

Delivery and pricing information for coated mills, including shipping options and a quantity price table.

Table listing various tool types and their corresponding page numbers.
